

2nd Grade E-Learning Days – Owen Elementary

Hello students and families! On the next page, you will see a grid of activities that all students may choose from during an E-Learning Day. Some of the activities are required so please make sure your child completes those activities when making their choices. Each student must choose 6 activities to accomplish during their 9:05-3:35 "school day". A parent signature is required for each finished activity. You will receive credit for the day by returning the sheet with parent signatures within 2 weeks of the E-learning day.

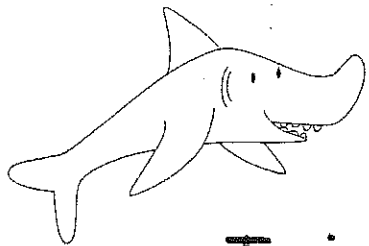

The goal of our E-Learning Day is to provide meaningful independent activities for students so students are continuing their learning.

We are sharing this grid with parents via take-home folders and it will also be available on our webpages electronically.

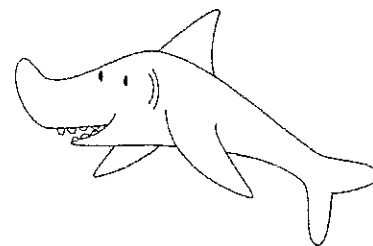

Name: _____ # _____

In Google Classroom, click on the Scholastic Link. Pick an article to read. Complete the 3-2-1 WS. X _____	Do 25 minutes of Dreambox X _____	Write a letter to your teacher and tell what you did on your E-Learning Day. X _____
