# Snow Day

# b i n g o board

Complete a square and color it in. Five squares in a row, (horizontal, vertical, or diagonal) means Snow Day BINGO! Challenge: Complete all squares (cover the board) and bring it back to school!

Build a snowman. Go inside and draw and write the steps.	Build a fort inside your house and read a book.	Read a book under a cozy blanket.	Write sight words in the snow: the, like, a, I, he, am, so, she, love, and	Make 10 snow angels.
Bring some snow inside and color it with food coloring.	Use playdough to build and read the sight words: the, I, like, a.	Read a book in your kitchen.	Make 10 snowballs. Smash 3 how many are left?	Read a book by a fire (real or on a digital device).
Write a sentence about your favorite part of winter.	Make up a story about a snowman. Draw and write what happens.		Write numbers 1-20 on a piece of paper. Bonus: write your numbers to 100.	Say each letter of the alphabet and the sound it makes.
Cut snowflakes out of paper.	Before you read a book point to the author's name and point to the illustrator's name on the cover.	After you read a story, go back to your favorite part and tell why you like it.	Count by 10s to 100.	Draw a winter picture. Label your picture with at least 5 words.
Read a fiction story. Talk about the setting. (Where the story takes place.)	Make 3 snowballs. Make 6 more, how many all together?	Write about your favorite part of the snow day.	Find something in your house that is a circle, triangle, square, and rectangle.	Write all the ways to add and get the number 10.
