

Congratulations to our **66 Metea Valley student musicians** on their acceptance and participation in the Illinois Music Education Association District 9 Concert and Jazz Festivals. Our students completed an audition with musicians from approximately 50 high schools in the western suburbs. The audition is very challenging and includes collegiate-level material to prepare. Being selected for this honor in a very competitive district is quite an accomplishment. These students recently performed on the Concert Festival at Dundee-Crown High School on November 9 and the Jazz Festival at Waubonsie Valley High School on November 2.
