

Get your winter reading groove on with Naperville Public Library's Winter Reading Program!

From December 15, 2024 to January 31, 2025, we invite children and teens to get **Yeti to party** during our winter reading extravaganza!

Children's Reading Program

Party pals from birth through 5th grade are welcome to join the Winter Reading Program, even if they don't have a library card!

There are three levels in the Children's Winter Reading Program. Children set their own daily reading goals and earn a prize after they reach their goal 12 times. Once they have completed all three levels, bring in their reading log to the Library to receive a dazzling prize- a brand-new book to keep!

They will also be entered into our grand prize drawing!

Teen Reading Program

Teen party animals in Grades 6 through 12 can also join in the fun by picking up a BINGO card from their nearest Library location.

Complete winter activities like drinking a cup of hot cocoa, reading books from different genres, and more. Once they've scored a BINGO, they'll earn a free book to keep and entry into our grand prize drawing at the end of the program!

Get the party started by signing up online at www.naperville-lib.org or at your nearest Naperville Public Library location!

Distribution of information and materials through the school district does not imply District 203 or 204 endorsement.
