

Stillwater Starz Summer Swim Team

The Stillwater Starz is a developmental summer swim team and a member of the Naperville Swim Conference (NSC). A volunteer-driven 501(c)(3) nonprofit, our mission is to develop confident, capable young swimmers and foster a love of competitive swimming in a safe, supportive, and fun environment. Our swimmers range from 4-18 years of age, and most are residents of southwest Naperville and neighboring areas in Aurora and Plainfield.

Options are available for morning and evening practice to accommodate all schedules, and a full pool and racquet membership option is available exclusively for swim team families, too.

For our youngest swimmers, their time on the Starz is often their first experience with competitive swimming. It's also where many of our returning swimmers, some of whom now swim year-round in club and school programs, got their start. Our pool is located at 2308 87th St., Naperville, IL. Join us this summer, and find out what fun you can have when we *shoot for the Starz* together!

Curious whether a Stillwater Starz summer is right for your young swimmer? Find more details [here](#)
